Big Savings from Warehouse Stores Disappear If You Want Delivery

Store or service	Cost per month for an illustrative family of four	
	If they shop in store*	For grocery delivery**
Costco.com	\$563	\$787
Instacart from Costco	\$563	\$765
Instacart from Smart & Final	\$745	\$785

* From our survey of local grocery stores and warehouse stores. In-store costs reported here are based on what our hypothetical family of four would spend if they bought groceries that cost \$200 per week at an average-priced grocery store.

** Costs reported here assume our hypothetical family would take weekly orders of groceries that would otherwise cost \$200 at an average-priced grocery store, including delivery fees and 10% gratuity, where applicable.
